

Tim Macindoe

Member of Parliament for Hamilton West

22 August 2016

Patron's Message

I am sorry that Parliamentary commitments will again prevent me from attending the 2016 AGM of the Epilepsy Waikato Charitable Trust.

I remain deeply appreciative of the fine work that the Trust undertakes in our region and I am honoured to serve as your Patron.

I was delighted to hear of the recent appointment of Margaret McQuillan as an additional Epilepsy Adviser to supplement the energetic efforts of Maria Lowe. This is an exciting development and I know that Maria and Margaret will provide first-class services to those who live with epilepsy in our region.

I was delighted to attend the Trust's recent mid-winter Christmas dinner at which I was both surprised and deeply honoured to receive one of the Trust's two inaugural epilepsy hero awards. Having seen the hard work and commitment of so many others who are involved with the Trust, I feel humbled to have been recognised for my commitment and remain eager to serve you in any way that I can in the years ahead.

With kind regards to all members of the Trust,
